To Whom It May Concern:

New Living Construction, Inc.

I have dealt with New Living Construction, Inc. since 2006, during which time they have provided my company, The Eire Companies and myself personally, services in the areas of general construction, contracting and remodeling. I find that they conduct themselves in a professional manner, offer excellent quality of service and their work always reflects a high degree of workmanship.

I can confidently recommend New Living Construction, Inc. as a competent and reliable expert in their field.

Sincerely,

Mark Spillane
